

Welcome to SANKALP 2026

Where Future Leaders Begin Their Journey.

With SANKALP 2026, we warmly welcome the 2026-30 batch of students to **Lingaya's Institute of Management and Technology (LIMAT)**.

Every great journey begins with a first step. SANKALP, Lingaya's **Student Orientation Programme**, is designed to give our new students an exciting and inspiring start to their college life—helping them discover the campus, connect with people, showcase their talents, and prepare themselves for the journey ahead.

More Than an Orientation. It's the Beginning of Your Journey.

College is not just about classrooms, examinations, and textbooks. It is a journey of **learning, exploration, innovation, friendship, leadership, and self-discovery**.

The orientation programme introduces students to the Lingaya's ecosystem and helps them understand what it takes to transform their ideas, talents, and aspirations into meaningful achievements.
